2 LUXURY RESORTS - ONE MAGNIFICENT PROGRAM.

This Passover, Diamond Club will host its renowned program in Kanai at the Edition Resort & The St. Regis Luxe Tower C, exclusively reserved for our guests, creating a luxurious and intimate Five-Diamond experience.

Kanai provides an extraordinary luxury escape within a 680-acre gated sanctuary. This exclusive oasis is home to the prestigious St. Regis and Edition resorts, seamlessly blending opulence with the natural beauty of the Riviera Maya and a protected mangrove reserve. 91% of Kanai's landscape remains untouched, preserving local wildlife and the lush jungle environment.

With 2 miles of pristine white sand, Kanai's beaches sit just half a mile from one of the world's largest coral reefs—a vibrant underwater haven of diverse marine life and stunning coral formations, making it a true paradise of nature.
